41     icon_pack: fas
42     link: '/#contact'
```

The bottom status bar shows "Справка 17, строка 69 (индекс: 7)". A small video feed of a person is visible in the bottom right corner.

Добавление фотографии в content/authors/admin/

2. Добавление поста

3. Сделать пост по прошедшей неделе.

Нам нужно обновить данные нашего сайта на github pages, чтобы все что мы сделали было не только на localhost.

Для этого воспользуемся командой hugo для сборки сайта, в папке ./public появятся новые static файлы. Их необходимо будет отправить на гитхаб в репозиторий `<username>.github.io` командой `git push origin main`, предварительно добавив новые файлы (`git add .`) и создав новый коммит (`git commit -am "stage02"`).

Результат.

The screenshot shows a web browser window with the address bar displaying 'timofey1.github.io'. The browser has several tabs open, including 'proj02 Выполнение - YouT...', 'OC_02.03.02: Этапы реализации...', and 'Academic'. The browser's address bar shows 'timofey1.github.io'. Below the address bar, there are several bookmarks: 'Сервисы', 'WORK | Trello', 'WORK', '8001', 'рудн', 'NFT', 'OS', and 'Статьи'. The website itself has a dark blue header with the name 'Academic' and navigation links: 'Home', 'Posts', 'Projects', 'Talks', 'Publications', and 'Contact'. A search icon and a moon icon are on the right. The main content area features a circular profile picture of a young man with dark hair, wearing a striped shirt. Below the picture, the name 'Timofey Beshkurov' is displayed, followed by 'Student | Data scientist' and 'Peoples' Friendship University of Russia (RUDN University)'. To the right of the profile picture, the section 'Biography' is titled, followed by a paragraph: 'Timofey Beshkurov works as a Data Scientist at Ashmanov Neural Networks in the Computer Vision Department. Studying in Peoples' Friendship University of Russia on fundamental computer science and information technology. His research interests include data analysis and processing, various tasks in the field of imaging and programming.' Below the biography, there are two columns. The left column is titled 'Interests' and lists: 'Computer Vision', 'NLP', and 'High Load Systems'. The right column is titled 'Education' and lists: 'Fundamental computer science and information technology, 2025' (RUDN University) and 'Information systems and programming, 2021' (College 54). The Windows taskbar is visible at the bottom, showing various application icons and the system clock indicating 21:23 on 05.05.2022.
